Living our mission

United Women in Faith, a membership-supported faith-driven organization, connects bold, spiritual women to transform communities by fostering spiritual growth, developing leaders, and advocating for justice.

Our work is global, local, and virtual, supporting our mission in a creative, inspirational, and supportive fellowship. Nearly half a million members come together and raise funds each year for programs and projects focusing on the needs and challenges of women, children, and youth in the United States and in more than 100 countries around the world.

Helping women, children, and youth

We are a powerful, fearless force that connects spiritual women to act boldly for justice and transform communities. Driven by God's love and united in sisterhood, we work to improve the lives of women, children, and youth.

Evolving to further our mission

Our name and brand have recently evolved to reflect our times and welcome new members. Yet our mission, vision, and passion remain steadfast.

Our mission

United Women in Faith seeks to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship, and education so that they can inspire, influence, and impact local and global communities.

Our vision

Turning faith, hope, and love into action on behalf of women, children, and youth around the world.

Our purpose

We also have a **Purpose statement** that dates back to 1972 as part of *The United Methodist Church Book of Discipline*. Our Purpose statement remains, and local church groups are welcome to continue to recite it in meetings as appropriate or desired.

Give generously

We rely on the generosity and commitment of our members to put love in action through donations. Guide where your dollars are spent by aligning your charitable giving to your interests.

Charter for Racial Justice

United Women in Faith first adopted the "Charter of Racial Policies" in 1952, working to support the worldwide struggle for liberation and eliminate all forms of institutional racism in church and community. Today, the Charter remains a core part of our identity.
